Report of Jerome Hodges, Supt. of N. C. Conference.

Mr. Chairman and members of the Conference, it is with pleasure, and deep gratitude to almighty God that I submit my annual report to you. I still love God and the P. H. Church, am in harmony with our Discipline and in fellowship with the Conference. I come to the close of the year feeling that I am more indebted to God and the P. H. Church than ever before. There has never been a time in my Christian experience that I was more anxious to know God's will and more zealous to do whatever God reveals to me as His will, than today.

I have visited every church in the Conference at least one time, several twice, and some three times during the year. Have spent three months in evangelistic work, held 19 Quarterly Conferences, presided over 6 Conference Board Meetings, assisted pastors in several business meetings, filled several pastors appointments, wrote hundreds of letters and cards, traveled thousands of miles, answered every inquiry, responded to every call. Have honestly endeavored to do my whole duty to the best of my ability. I appreciate the co-operation and support of the Conference.

My financial report is as follows:

Wilmington District	$ 112.18
Fayetteville District	298.42
Goldsboro District	306.49

Tarboro District	356.99
Total	$1,396.60

Board accepted Bro. King's date for a Bible Conference beginning about May 15th to continue ten days.

Board met at Falcon January 4, 1935. All members present.

Finding that N. R. Beacham is out of harmony with Sec. 2, page 39 in General Rules, also Sec. 8, page 18 in Gov't. of our Discipline; and finding also that his general conduct according to the concensus of opinion among the members of the Falcon church, has been a reflection upon the ministry,

Therefore, on motion, the Board suspended the said N. R. Beacham from the ministry till the next session of the Annual Conference.

Expenses of Board members ($4.00) was paid. All members present.

Board met at Hodges Chapel March 5, 1935. An investigation was made concerning statements reported to have been made by Rev. A. H. Butler against Rev. J. E. Elks. Bro. Butler asked pardon of Bro. Elks, which was granted. Further investigation as to purported statements by Bro. Butler that people who took part in an effort to make certain changes in the camp meeting held on the grounds, were led of the devil. Bro. Butler asked pardon of the Church Board which was granted. The Church Board asked that the camp meeting management be turned over to the Conference Board. It was agreed by Bro. Butler, the Church Board and the Conference Board that this request be granted, same to become effective at the close of the next camp meeting; also that during the camp meeting Sunday selling shall be eliminated.

Said decision sustained the Supt's. contention that said name be dropped.

Devotional Services.

The presence and power of the Lord was manifested in an unusual way in all these services in the preaching, singing, prayers and testimonies.

Bro. King, Gen. Supt., preached Friday night and Sunday morning with his usual deep, uplifting messages. Bro. T. L. Aaron gave us a great message on Saturday night in behalf of the school work. We need this in print so much.

Bros. J. W. Brooks and M. E. Parrish, together with wives and children, conducted a missionary service Sunday morning at 9: 30. They were so blest in these messages that our hearts swept right out with them towards the millions of needy, perishing souls who

are looking this way. May we follow them daily with our prayers.

Bro. J. A. Culbreth conducted the Orphanage service at 3:30 P. M. telling us of the work in the past and the outlook for the future of this great work of the Lord. Bros. Jas. W. Butler with Bro. T. L. Aaron conducted the P. Y. P. S. service at 6 P. M. and greatly encouraged the young people in this phase of the church work. That their efforts along this line is greatly appreciated, was evidenced by the interest taken both before Conference and in this special service. We rejoice that we have such deeply consecrated young men to reach out an uplifting hand for the rising generation.

The last devotional service for the Sabbath was conducted by Bro. Jas. F. Eppes Sunday night. He was filled with a very profitable message, which was greatly enjoyed by the large congregation.

Offerings were made in connection with these services for Missions, the Falcon Orphanage, and the two officials of the Young Peoples' work, Bros. Butler and Aaron.

SECOND DAY—MORNING SESSION.

After devotional services Minutes of last session were read and approved.

Report of Jas. W. Butler, Pres. P. Y. P. S. of N. C. Conference was read by his father, A. H. Butler.

Report of James W. Butler, President of P. Y. P. S. of N. C. Conference.

Mr. Chairman, Members of the North Carolina Conference and Friends:

I sincerely regret that extenuating circumstances prevent my attendance upon the opening of the annual session of the North Carolina Conference of the Pentecostal Holiness Church. It was my intention to be present, although it appears at the time of this writing that I shall be delayed in arriving.

My heart is lifted in gratitude to God for His goodness and blessings to me during the past year of my labor in behalf of the church and our young people. I feel His presence in my life from day to day and desire a more consecrated walk and closer communion with Christ. I know I am His child.

During the past Conference year I have endeavored to fully discharge all the duties which have been mine as President of Pentecostal Young People's Societies in the North Carolina Conference and as General Vice-President of the P. Y. P. S.

Immediately after the 1934 Conference of our church, I attended the first meeting of the General Officers of the P. Y. P. S. which was held at Franklin Springs, Ga., called for the purpose of inaugurating plans for the coming General P. Y. P. S. Convention in Richmond, Va., July 1 to 5, 1936. Within the next three weeks,

D. V., our General Officers will meet again at Franklin Springs. May I just here request the prayerful and moral support of this Conference for your officers in this meeting, and also urge your support in our plans for the General Convention next Summer.

I have attended the young people's sessions of the Baltimore Conference in Hopewell, Va.; the Georgia Conference in Franklin Springs, Ga.; the Western North Carolina Conference in Burlington, N. C., and assisted in these conventions.

Our annual P. Y. P. S. Convention for the North Carolina Conference was held at Thunder Swamp church this past summer. An increase in attendance over 1934 was noted, with greater spiritual progress indicated and a more enthusiastic and progressive atmosphere. We had the assistance of our General Secretary, Rev. Byon A. Jones, in this convention, and addresses by Dr. P. C. Chan and Bro. A. E. Robinson.

Due to the epidemic of infantile paralysis in this state during the summer, only one district convention was held prior to the suspension of young people's gatherings. This was the Tarboro district which met at Scotland Neck.

I have visited most of the churches in the Conference, in which there are active young people's societies. I was handicapped in getting to many of our rural churches because of lack of transportation. In the Spring our car was wrecked on a bad stretch of pavement, and three months ago, after we were getting over the first accident, a drunken driver demolished our car. These accidents have been a great hindrance and have added a great deal of expense, but God has been gracious and spared our lives and we thank Him for His providential care.

During the past year we have averaged speaking at least twice a Sunday, more than 110 appointments being met. A few Sundays we have spoken as many as four and five times after being up most of Saturday night to reach the appointments and then traveling all of Sunday night to get back home. Have also held a few meetings with officers of local societies, have attended special young people's services at camp meeting and home-coming occasions. Have tried to preach "the Word."

I have written more than 250 letters and postal cards in relation to our work. In addition to the work of the P. Y. P. S. I have assisted in Sunday School and prohibition rallies.

I have traveled approximately 7,000 miles. Thanks to a few friends some of this has been at their expense, but most of it at mine. Travel, postage, hotel and incidental expenses for me have aggregated $175. At some places I arrived too late for other than hotel accommodation. I have received not exceeding $85 to $90 from our young people.

We have had able assistance and support of our General President, Rev. T. L. Aaron and our General Secretary, Rev. Byon A.

Jones; our Conference Vice President, H. D. Marshburn, and Conference Secretary-Treasurer, Miss Thera Autry. We have had the co-operation of our General Superintendent, Rev. J. H. King, and his words of counsel and sympathetic understanding have enabled us to become enheartened and inspired to carry on. We also desire to express our appreciation and thanks to our conference officials and various pastors and evangelists who have given of their support. I personally appreciate every co-operative movement, and in the name of the young people of this conference, say to you, "Thank you and God bless you every one for your interest in this work."

Requesting the prayers of this conference, and assuring you every one that I am in harmony with the Church, the Conference, the Bible, and desire to do a greater work for God, the church and our young people, I am,

Your humble servant,

James W. Butler.

Report of Committee on Prohibition and Public Morals.

With the conviction that the Bible prescribes the manner of conduct for all mankind and knowing the importance of living according to the Word and upholding the same, we, your Committee on Prohibition and Public Morals, do submit the following report:

God's Word has denounced strong drink in no uncertain terms. It makes plain that we are our brothers' keeper, and we are indeed responsible before God for our attitude and influence toward the question of alcohol.

Drunkenness has greatly increased, and crimes as the result of liquor drinking have increased accordingly. Recent statistics show that automobile accidents as the result of alcoholic drinking, and drunken driving arrests have increased greatly since the repeal of the Eighteenth Amendment.

The ignoring of the true and living God is increasingly prevalent in educational and governmental circles in our country. The worship of gods of gold and position is evident, love of pleasure and revelry is increasing, and never has sexual looseness been more noticeable.

We object to the National Administration taking the lead in moral liberalism and flooding of the country with debauching liquor which has brought on a tidal wave of gambling, vice, and laxity in home life, more divorces and has made the Sabbath a holiday for sinful revelry instead of a day of worship.

This state of affairs is deplorable and regetable. We would urge our people to be more careful of the example set by their lives, and that they exert every influence for good as becometh Christian citizens. May we let our words and influence be opposed to every agency that the liquor interests would use to beguile the innocent. "King Alcohol," in league with the devil, has a large and powerful army and many subtle agents. He employs not only the ignorant and vile but also the cultured, wealthy, and political leaders to spread his powers. Under the slogan of "Personal Liberty" and so-called "control," he attempts to deceive some sober thinking people, but like the wine for which it stands the slogan is a mocker. Liquor can neither bring liberty nor be controlled. Therefore we recommend:

That our pastors, evangelists and laity take a decided stand against alcoholism in any form, notwithstanding the apparent victory of liquor interests in some localities.

That we make a desperate effort to protect our children against godlessness by bringing them up according to the Bible, and by opposing divorce with its concurrent evils.

Respectfully submitted,

James W. Butler,
T. M. Bizzell,
Ralph R. Johnson,
Committee.

Report of Committee on Missions and Evangelism.

We, your Committee on Missions and Evangelism, appreciate the great work that has been accomplished in the spread of the Gospel both in the home land and foreign fields. But in view of the vast fields that are now white already unto harvest, we do humbly beseech each member of this Conference to give their most earnest and careful attention to the following recommendations:

1. That fervent prayer be offered daily for our missionaries on the foreign fields as well as for those in the homeland.

2. That each pastor check his pastorate as to last year's work on foreign missions and set out to make a definite improvement for the coming year.

3. We heartily endorse the penny per day plan for each member of the local church and society, and we urge that each pastor endeavor to keep this before his church.

4. That each pastor endeavor to be a source of missionary information to his congregation. Such information may be obtained in The Advocate each week, and also through direct correspondence with our missionaries on the fields.

5. That the cause of missions and evangelism be presented at each of the quarterly conferences during the year.

6. We recommend the purchase of a Gospel tent to be used in the bounds of the North Carolina Conference.

7. That a special fund be set apart in the Conference Treasury for the purpose of aiding in the evangelization of new territory within the bounds of the North Carolina Conference.

8. That a Conference Evangelist be appointed by this Conference to oragnize and direct evangelism throughout the North Carolina Conference, and endeavor to get our local evangelists into active service.

Respectfully submitted,

J. W. Brooks,
E. S. Beasley,
O. T. Howard,
Committee.

Report of Committee on P. Y. P. S.

We believe that one of, if not the most practical and efficient ways to help our young people is through the channel of Christian education.

Therefore in order that this may be done we exhort, first, that united and wholehearted prayer and intercession be offered to God continually for our educational program and institutions, and especially for our church school at Franklin Springs, Ga.

We appeal to one and all to give this institution all the financial aid possible.

We plead with the parents of the young people to support our institutions of learning by sending their boys and girls to these schools, where the truth, the whole truth and nothing but the truth is taught.

We believe the time is ripe for a mighty united effort in behalf of Christian education for the sake of the youth of our land.

They must be trained for service at home and abroad, and so established in the truth that nothing will ever turn them away from it.

We warn our people of the detrimental influences of trashy, unwholesome and unscriptural literature upon the lives of the young.

Let us keep plenty of good, pure and scriptural literature in our homes for the young people so that their minds may be filled with truth, thereby laying a good foundation for strong Christian characters.

We urge better financial support for the President of the Pentecostal Young People's Society.

W. B. Godwin,
J. G. Crocker,
W. Harvey Morris,
Committee.

Report of Committee on Sunday School.

When we consider the fact that there are approximately two thousand children connected with the Sunday Schools of the N. C. Conference who are under thirteen years of age, and think again of the many Scriptures which reveal our tremendous responsibility in connection with their training, and knowing also that their destiny in this world as well as in that which is to come is largely, if not altogether in our hands, we most sincerely and earnestly insist, urge and pray that all our people give whole hearted attention and obedience to the exhortation given in Deut. 6: 6-9, "And these words, which I command thee this day, shall be in thine heart: and thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. And thou shalt bind them for a sign upon thine

hand, and they shall be as frontlets between thine eyes. And thou shalt write them upon the posts of thy house, and on thy gates." We call attention to the necessity and usefulness of a Sunday School library.

It would open a new field of labor for the Sunday School. It would be educational in many ways, carrying comfort and sunshine to the sick and shut-ins.

It would create interest and increase attendance. The influence of the Sunday School would be enhanced and a greater knowledge of God's Word disseminated.

Therefore a greater zeal, energy and perseverance would follow and love and humility be deepened.

It would be fine if all the schools would participate in the Sunday School Conference work, thereby giving all the children the benefit of the practical training and holy influences set in motion on such occasions.

Every child in the schools should possess a Bible and all teachers should so apply themselves to Bible study, prayer and personal work, that they will be efficient teachers and successful soul winners.

We recommend that the Sunday Schools give more financial aid to the Sunday School Evangelist in order that he may be better able to accomplish the task put on him by the Conference.

W. Harvey Morris,

Report of Committee on Education.

We, your Committee on Education, submit the following report:

Whereas there are being made such strenuous efforts to educate and train the minds by crowding it with unreasonable, and erroneous ideas which paralyze and destroy people's faith in the Holy Bible, and there are such powerful efforts put forward to substitute, socalled science and higher education which breeds infidelity and lawlessness, and statistics showing that crime is on the increase as a result of such, we feel that it is high time that people everywhere become aroused over these alarming conditions.

Paul exhorted Timothy to study to show himself approved unto God, a workman that needeth not to be ashamed rightly dividing the word of truth (God).

Therefore we recommend:

1. That all our pastors put forth a special effort to place The Pentecostal Holiness Advocate into every home of our members.

2. That every preacher as far as possible, supply himself with good religious literature and form the habit of studying the Bible along with other good and wholesome literature, in order that they

may be more fully prepared to enlighten our people and fortify them against false doctrines that are being advocated by false teachers and preachers.

3. We recommend to all our ministers a correspondence course of Bible study taught by Rev. I. H. Presley.

4. That we as a body, both, preachers and laymen, labor together, in prayer, self denial, and sacrifice, and contribute of our means to support and carry on the Falcon High School; The Holmes Bible and Missionary Institute, and especially our Church School and College at Franklin Springs, Ga.

5. We advise, and urge all parents and guardians who have children to educate, make every possible effort to place their children in the school and care of those who are laboring to educate the heart and mind and by that aid the child to acquire a Christian education which will fortify it against the evils in the world, and prepare it to render the greatest amount of good while here in the world.

6. We recommend that one-fifth of the money donated to the General Conference Treasury be donated to the Church School at Franklin Springs, Ga.

Report of Committee on Orphanage Work.

"A Father to the fatherless, and a Judge of the widows, is God in His holy habitation."—Psalms 68: 5.

It has pleased the Lord to make men co-workers with Himself, and to use human instrumentalities to perform His works.

He has made our bodies to be temples of the Holy Spirit, and a holy habitation for His presence and power.

Under this divine arrangement, He must show Himself "the Father of the fatherless" through us, His people.

This involves individual responsibilities which we must meet, both by our direct ministry, and through our organizations by our positions and influences.

The Falcon Orphanage has had the endorsement of our Conference for many years, and has served us as if it were wholly our own. We recommend, therefore, that all our Pastors, Superintendents of Sunday Schools, and Presidents of our Young Peoples' Societies, encourage the fullest co-operation and support to The Falcon Orphanage in its ministry to the fatherless and widows within our borders.

In order to do this, we suggest that every church within our Conference have one Sunday in each month as "Orphanage Day," and take regular offerings for its support. That some one, who is especially interested in this phase of Christian work, be appointed

or elected to keep the interest alive and revived, that we may contribute as largely as possible to the enlargement of our Pentecostal orphanage work.

We must "not oppress the fatherless, and the widow" by negligence, lest we forfeit much of the blessings that belongs to our heritage, and bring upon ourselves the judgments of God for our disobedience.

We urge all our churches and members to pray more earnestly, contribute more liberally, and co-operate more fully in every way this year to promote and enlarge our orphanage work than ever before, in order that we may more fully demonstrate the "pure and undefiled religion" which we profess.

Respectfully submitted,

J. A. Culbreth,
I. D. Dickens,
S. T. Harris,
Committee.

Report of Committee on Finance.

We, your Committee on Finance, beg leave to submit the following report:

Realizing the impossibility of improving on God's financial plan and knowing that God will bless those that adhere to it, we therefore submit the following recommendations:

1. That all lay members pay tithes into the church treasury. Said tithes to be disbursed by the church official board.

2. That all ministers of the N. C. Conference patronize the Conference Treasury by paying one-half of their tithes into the Conference Treasury and that the Conference Board shall have the right to disburse said tithes except the provisions in this report.

3. That ten per cent of said tithes be used for the evangelization of needy fields. Especially to help start churches in new territory.

4. That this session make the following appropriations:

Rev. J. H. King	$200.00
Rev. Jerome Hodges	25.00
Conference Secretary-Treasurer	25.00
